

# The REVELATION of JOHN

Experience the apocalyptic revelation of John through the eyes of Tom Key, award-winning star of the off-Broadway musical hit *Cotton Patch Gospel*.

"When I caught myself squinting from the radiance of the vision of a New Jerusalem in *The Revelation of John*, I knew Tom Key was doing his job - In this riveting one-man show, the actor reenacts, as a modern-day news reporter, word-for-word St. John's compelling vision of the Apocalypse. He is spellbinding. We wait in anticipation for the next glorious and monumental image from this larger than life epic. Revelation is the ultimate Star Wars—the triumph of good over evil.
